

RECOMMENDATIONS FOR ACCESSING THE PLATFORM FOR PRE-RECORDING PRESENTATION (STREAMYARD)

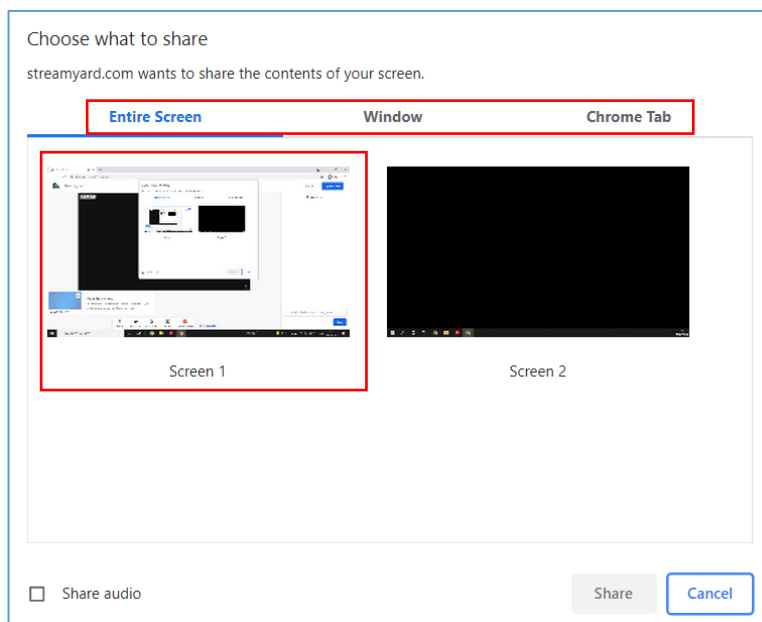

1. If you use MacBook, we ask you to download the Google Chrome browser to facilitate access to the platform.
2. Regardless of the operating system of your computer, you must give all permissions and authorizations to avoid technical problems as camera, video, microphone, and sharing. It includes Mac, Windows, and Linux.
3. Copy and paste the access link to the platform in your browser;
4. In some cases, this screen will appear. Access through YouTube (you only need to have an email in gmail) and you will access the platform. Or, if you have a Facebook account, you can use it as well.

To share your lecture, you must follow the steps below (we will have a technician in the room for all necessary assistance).

If you are using two monitors, choose between 1 or 2. Moreover, you can choose among Full Screen, Window and Browser Tabs.
